### 1 Affected product versions

Product order code	Successor product order code
EVA-M8E	No direct successor product, see section 3 for options
C93-M8E	No direct successor product

All orders of the above-listed products placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

### 2 Reason for discontinuation

Portfolio consolidation.

### 3 Customer impact and recommended action

It is recommended that customers migrate to the latest u-blox M9 successor products with support for untethered dead reckoning (UDR), specifically to the NEO-M9V module.

Alternatively, if UDR is not a stringent requirement, EVA-M8Q might be the easiest migration option.

### 4 Schedule

Last-time-buy date	Last shipping date
15-July-2024	15-December-2024

### 5 Contact

We thank you for your understanding and assure you our very best support. If you have any questions, please contact your nearest u-blox sales team.
