3 Description

Affected products described in section 1 are now released for Initial Production.

The products are fully tested on the production line.

4 Certification and qualification

M2-JODY-W377 M.2 card modules are:

- in compliance with US Regulatory requirements for FCC/CFR 47, part 15 unlicensed modular transmitter approval.
- in compliance with the regulations defined by ISED Canada.
- in compliance with the regulations defined by the European Telecommunications Institute (ETSI) in the Radio Regulatory Directive (RED) and UK Conformity Assessed (UKCA) requirements for Great Britain.
- qualified in accordance with the Bluetooth 5.2 specification.

5 Schedule

This information is effective as of January 30, 2024. First production parts are now in stock, and customers can place orders immediately.

6 Customer impact and recommended action

Customers are advised to review the updated documentation accompanying these releases.
