### 1 Affected product versions

Product ordering code	Successor product ordering code
SARA-R410M-52B	SARA-R410M-02B

All orders of the above listed products placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

### 2 Reason for discontinuation

u-blox has decided to announce the end-of-life for all type numbers of the above listed product. The reason is the availability of pin compatible (for easy migration) successor products with enhanced performance and portfolio consolidation due to the very low demand of the discontinued product.

### 3 Customer impact and recommended action

u-blox recommends migrating from SARA-R410M-52B to SARA-R410M-02B, which is pin compatible, covers all features and certifications of SARA-R410M-52B and comes with enhanced performance and additional features.

Putting the successor product into use requires the associated approvals and certifications.

This end-of-life product cannot be upgraded with the firmware of the successor product.

### 4 Schedule
